

imp® Universal SteriBump®

Combat

Healthcare Associated

Infections

Choose Guaranteed OR Sterility with SteriBump®

Multi-use

Contour cradles & elevates the patient's extremities in the sterile field.

Rectangle design provides multiple heights.

More secure elevated positioning.

Choose multiple heights & angles.

Easier, faster and safer than bundling towels.

Single-use means there's never a question of sterility.

Eliminates possibility of cross contamination.

Free from Latex

Lint free

Save Time & Money
